

SAYS WAR  
IS ENDEDOfficial In St. Petersburg  
Foreign Office.

## ARMISTICE TO BE MADE

As Soon as the Plenipotentiaries Arrive  
in Washington—Official Report  
Says That Russians Were  
Repulsed Recently.

St. Petersburg, July 5.—A high authority at the foreign office says that the war is practically over, and that an armistice will be arranged at Washington as soon as the plenipotentiaries arrive. Meanwhile important operations of the land campaign at the front are not expected.

## To Take Charge of Ship.

Odesa, July 5.—A squadron from Sevastopol arrived this morning to take charge of the Georgi Rodionovskiy.

## Fired on the Strikers

St. Petersburg, July 5.—Cossacks fired upon a gathering of strikers here today.

## REPULSED RUSSIANS.

Official Announcement from Japanese  
Army's Headquarters.

Tokio, June 3.—The following official announcement was made yesterday from the headquarters of the Japanese army in Korea:

"At dawn on July 2, 400 of the enemy's cavalry with artillery approached Noromok on the Puryong road, six miles north of Yusong. Our force engaged and repulsed them northward, inflicting heavy loss. In the meantime our detachment made a detour far northward for the purpose of cutting off the enemy's retreat and engaging their infantry at noon 14 miles north of Yusong. Our detachment also struck and scattered the enemy's cavalry retreating from Noromok."

Another despatch received yesterday says:

"At eight o'clock in the morning of July 1, 600 of the enemy's cavalry advanced toward the Pashu river, 13 miles northeast of Kangpin. We repulsed them. One hundred and fifty of the enemy's cavalry and mounted infantry with 18 guns simultaneously attacked Shishiku eight miles northeast of Pashu river. The engagement lasted until dawn July 2, when the enemy was repulsed. The enemy's casualties were over 400. Ours were 90."

## IMPROVEMENT REPORTED.

Strikers At Odesa Said to Be Resum-  
ing Work.

Odesa, July 5.—The British steamer Cranley, which was brought into the harbor Monday under cover of the guns of a torpedo boat destroyer, has been released.

The general situation shows signs of gradual improvement. The removal of debris from the burned area has begun and the general dock work and coasting service has been resumed. The strikers are returning to work.

A large number of troops has been sent to the summer quarters within easy reach of the city.

The Odesa chamber of commerce has petitioned the ministry of finance to permit an extension of 14 days on notes falling due.

## GOING TO BATUM.

Mutineers on Kniaz Potemkin Head Ship  
In That Direction.

Galatz, Roumania, July 5.—A ship which has just arrived reports passing the Kniaz Potemkin in the hands of the mutineers going in the direction of Batum.

## CANOEISTS DROWNED.

Two Providence Young Men Grappled  
After Striking the Water.

Providence, R. I., July 5.—While attempting to change places in a canoe on the Pawtuxet river yesterday afternoon three young men, all of this city, were thrown out by the tipping over of the canoe, and two of them, Frank Riley and Daniel J. Sullivan, though fair swimmers, grappled with each other as they struck the water, and were drowned, their bodies being found about half an hour later in about seven feet of water.

DR. C. L. ERWIN  
APPOINTED TRUSTEETo Succeed George W. Wing of Montpelier,  
Who Was Asked to Re-  
sign—W. L. Dow Succeeds  
Judge Maxham.

Walden, July 5.—Gov. C. J. Bell today appointed Dr. C. L. Erwin of Newport Center as trustee of the state hospital for the insane at Waterbury to succeed George W. Wing of Montpelier, who was asked to resign.

He also appointed W. L. Dow of Hardwick trustee to succeed Judge Maxham of Pomfret, whose term expired last fall.

## IN THE GOOD OLD WAY.

Randolph Had a Grand Fourth of July  
Celebration.

Randolph, July 5.—One of the largest crowds that has been in Randolph for several years poured in from surrounding towns yesterday for the grand celebration. The exercises of the day opened with a parade headed by Marshal John DuBois and the Green Mountain band at nine o'clock. The features of the parade was handsomely trimmed carriages, beautiful horses equipped and handled by ladies. The judges for these traps were Mrs. O. E. Blanchard, Mrs. W. C. Buck and Miss Jennie Stewart, and prizes were awarded as follows: First, Bessie Miles; second, Mrs. Crown; third, Mrs. W. F. Edson; special mention, Mrs. B. F. Ricker.

Martin McDonald, a blacksmith from Bethel, had the best float, a full equipped blacksmith shop on wheels, horses and all, with men at their regular post performing their duties. He got first prize.

The first prize in horribles was awarded Carlton Kibbe, who drove a two-year-old bull in road cart.

Following the parade there was a contest between the hose cart companies of the fire department. Company No. 1 ran 66 paces, put out 100 feet of hose and had water on in 30 seconds; No. 2, the same in 32 seconds. Other races were won as follows: 100-yard dash, Carl Bass, first; H. Brown, second; F. Dumas, third; time, 12 seconds.

200 yards, Smith, first; Morrill, second; Bass, third; time, 25 seconds.

440 yards, H. D. Fish, first; F. Dumas, second; Brown, third; time, 55 seconds.

440 yards bicycle race, Charles Townsend, first; Eugene Morrill, second; Irving Cady, third; time, 33 seconds.

In the afternoon at McCall Park a tug of war between No. 1 and No. 2 fire companies was won by No. 1. The high jump was a tie at 5 1/2 feet between H. D. Fish and Huber Holman. The winners of the sack race were Harry Brown, first; Morrill, second. The ball game between South Royalton and Randolph as the afternoon feature, was won by Randolph 10 to 3. It was the best game of the season.

## FUN AT WORK HOUSE.

Prisoners Had a Carnival of Sports—  
Some Too Realistic.

Rutland, July 5.—Samuel Roberts, a roving character, and a prisoner by choice, was the unique figure in the carnival of sports at the House of Correction. He ate more molasses and pie than any of the other prisoners, won several races and topped off by catching the greased pig.

The sports lasted all day and every prisoner was given the liberty of the yard and allowed to compete in all the contests which were viewed by the women prisoners, seated under a small tent. From this vantage point a number of visitors also watched the fun, which was materially aided by "Bill" McKell, who chased several prisoners with a fence rail which had to be taken away from him. With this single exception, however, the prisoners acted good naturedly and the spirit of fair play was everywhere manifest in the games.

In the boxing Roy George of Hyde Park and Malcolm Brunso of Newport, however, furnished such a hot bout that they had to be stopped.

## DISREGARDED REQUESTS.

Celebrators Not Only Rang Bells But  
Smashed Church Door.

Essex Junction, July 5.—The glorious Fourth passed off in about the usual way, perhaps with less noise than usual. The night before, however, had some discreditable features. Owing to several cases of severe illness the village authorities had expressed through the press the hope that no bells be rung and only a sparing use of fireworks. This wish, however, was disregarded, churches were broken into and bells rung until the village was driven away. At the Catholic Church considerable damage was done to the door, which was forced open.

## MILL COLLAPSED.

But No One Was Seriously Hurt in the  
Accident.

Morrisville, July 5.—Ward's mill, which was wrecked by the giving way of the dam Saturday evening, was the scene of considerable excitement Monday just before noon. Some men were at work under the section of the building which remains, when a portion fell and William Davis was caught and held by timbers so that help was necessary to extricate him. The news being telephoned to the village, many went to the scene of the accident, but Mr. Davis was quickly taken from the wreck and it was found that his injuries were not of a serious nature.

## FOR THE CHAMPIONSHIP.

Belgian Crew Will Meet the Leanders  
Tomorrow.

Henley, July 5.—The Belgian crew defeated the crew of the London club by three lengths. The time was seven minutes and twenty seconds. The Belgian crew and the Leanders will meet in the final contest tomorrow for the grand challenge cup.

In the second heat of the race for the Royal Henley challenge cup the leanders defeated the Vespers of Philadelphia.

## Carleton Family Reunion.

A reunion of the Carleton family took place yesterday at the residence of Edwin Carleton, 21 Highland avenue, to the number of fifteen. There were present, Judge Hiram Carleton and wife, Fred P. Carleton, wife and daughter, Mrs. E. C. Osgood and Misses Osgood, Mrs. Brisbane and Miss Brisbane of Montpelier, Mr. and Mrs. H. A. Dike of Chicago, Edwin Carleton and Misses Carleton. The entire company passed an enjoyable day on East Hill.

SERVICES  
WERE SIMPLEFinal Prayers For Late Sec-  
retary John Hay.

## WERE HELD THIS FORENOON

Body Lay in State at Cleveland Chamber  
of Commerce Building All Day.  
Yesterday—President Roose-  
velt Attends.

Cleveland, July 5.—Final prayers for the dead were offered in Memorial church in Lake View cemetery today when the body of the late Secretary Hay was brought from the Chamber of Commerce hall. The service was extremely simple, including the reading of a prayer by Dr. Hayden, the reading of scriptures, the singing of a hymn and prayer. The chapel was scarcely filled with a distinguished company of mourners.

With soldiers about the pier and the halls of the Chamber of Commerce patrolled by police, the body of John Hay lay in state throughout the national holiday. In accordance with the proclamation of Acting Mayor Lipp, the public in general remained away from the vicinity of the Chamber of Commerce and the police made a point of seeing that no unseemly din was created by fireworks in the street immediately adjoining the building.

Mrs. Hay spent the day quietly at the home of Samuel Mather at Glenville, many visitors called, but to the majority of them she denied herself, the strain of the last few days and the duties of today rendering rest imperative.

Floral tributes poured in yesterday from all parts of the United States.

The special train bearing President Roosevelt and party arrived at 9 o'clock this morning. He was met by a citizens committee and escorted by Troop A of the Ohio National Guard to the Chamber of Commerce.

The interior was witnessed by a large crowd, none of which was permitted to approach the gate, although on the return trip from the services crowds lined the route to see the president. All the services incident to the obsequies were conducted without the slightest hitch.

FRENCH CHAMPION  
WINS AUTO RACEGordon Bennett Cup Went to M. F. Hery  
Who Won Out Easily Today—Americans Made  
Sorry Showing.

Las Champs, France, July 5.—M. T. Hery, a French autoist in a Richard Brasier machine, won the Gordon Bennett cup today. The race was run in the Auvergne mountains, the start being made from this pretty village which is about 20 miles from Paris. The course was a most perilous one, so that not only extreme difficulties faced the competitors but no unusually great speed was possible.

No less than 7,500 artillerymen lined the course to prevent the spectators from getting in the way of the machines. By four o'clock this morning fully 200,000 people were lined up along the course, and by five o'clock a veritable army of automobiles was drawn up behind the stands at Las Champs. The course was a trifle over eighty-five and one-third miles, and each competitor was obliged to go around four times. The course is 600 turns.

At six o'clock sharp M. T. Hery, the French champion, shot off so swiftly that in a few seconds he was lost to sight. The other contestants followed, five minutes apart. There were eighteen in all.

The three Americans made a poor showing. The last time was seven hours and ten minutes.

## FIVE DEAD IN NEW YORK.

Small Boys Celebrated, But Not So Much  
Noise as Usual.

New York, July 5.—Despite the efforts of very many small boys and even more big fellows, the Fourth of July was comparatively quiet here. Firecrackers popped here and there and pyrotechnics wheeled and sized, but the day was only normally noisy in the great metropolis, although there was the usual number of accidents.

In spite of all regulations and police precaution, revolvers were fired into the air everywhere, the spent bullets doing their customary deadly work.

More than 100 boys and young men were arrested for violation of the ordinance which forbids the discharge of firearms in the street and the carrying of concealed weapons.

Altogether five deaths were recorded in the city, as a result of the day's celebration, and the number of accidents reaches into the hundreds.

## ACCIDENTS IN CHICAGO.

One Man Dead, Boy Fatally Hurt, and  
Others Injured.

Chicago, Ill., July 5.—One man dead, a boy probably fatally wounded, two other men shot and a boy hurt by a cannon cracker, were early contributions of victims to the Fourth of July celebration in Chicago.

CELEBRATED  
GREAT DAYThe Happenings of Yester-  
day In Barre.

## ACCIDENTS REPORTED

None Serious Thus Far, Although There  
Were Several Close Calls—  
No Fires and Only  
One Call.

In this city Independence Day yesterday was observed with the usual noise, more than the usual number of accidents, no fire alarms with the exception of one needless call and with almost a perfect stagnation in police affairs. The small boys got to work early on Monday and one might have thought that the third was the Fourth, if there hadn't been a calendar handy. The dealers in the means wherewith the nation's great holiday is celebrated, report that sales were good.

All night long pandemonium reigned, but there were no acts of lawlessness. In fact, this Fourth has passed without damage to property. Several huge bonfires were lighted in various parts of the city, and there were carefully guarded by the special patrol of eighteen policemen. At a bon-fire on Granite street the celebrators were inclined to have fun with the police, who tried to prevent the throwing of cannon crackers in the fire. Special Officer Allen telephoned the fire station that the scattering of brands by the crackers might cause a fire, and the chemical turned out. That was shortly before midnight. It was the only call to the department, and the men had an unexpectedly easy day, although they were on edge for anything that might occur. Their services were not needed in the call, as all the fire was confined to the road.

There was a steady stream of people going out of the city all day, and the streets were like a Sunday, in the afternoon. The ball game claimed a large number, picnics and family gatherings were the means for drawing out many more, and the exceedingly hot weather kept the rest at home. All the stores were closed, office doors were locked and there was scarcely a hammer struck in the stone sheds. Last night the intermittent pings, boomings and "swishings" announced that the Fourth was still alive, although dying a lingering death.

## Accidents of the Day.

Accidents marred the pleasures of the day for a number, although it is hoped that there will be no serious results.

## Powder in His Eyes.

Allen McDonald met with a serious accident on the quai yesterday. He is a powder man, and was going to the powder house. Just before reaching the building he took the pipe out of his mouth and knocked the ashes out. The ashes fell to the ground and landed in a train of powder which someone had spilled while taking material for celebration. Instantly there was a flash and a puff, and McDonald was enveloped in flame. He was badly burned about the face and eyes. Dr. W. D. Reid of this city was called to attend him.

## Fire in His Clothing.

Earl Gauthier had a hard time last night quelling a fire on his own person. He had a store of fire-stuff in the breast pocket of his waist. A spark fell into the pocket, and his clothing took fire. The clothing on his breast was burned before the fire was put out. His left hand and right wrist were scorched considerably. Dr. Robert Prentiss treated the wounds.

## Sky-rocket Went Off Too Soon.

Oscar Reor, who is employed at Page Bros' stable, was celebrating the night before with a sky-rocket. He held the rocket in his left hand and the thing shot off before he knew it. The hand was badly lacerated, although no fingers were lost. Dr. Devere fixed up the wounded man, and it is thought that nothing severe will develop.

## Victim of Toy Pistol.

West W. White, who resides at the corner of Main and Granite streets, met with a painful accident to his left hand last evening. He was examining a pistol containing a blank cartridge, when he accidentally discharged it, the wand from the cartridge making a deep wound in the palm of his hand. Drs. F. C. Ligouri and W. E. Lazell were called and dressed the wound. Fred N. Braley picked up the pistol on his lawn and threw it to Mr. White, telling him to celebrate, which he did much to his own misfortune.

## His Eyelids Scorched.

Santon, the young son of Mr. and Mrs. Riley Burgess, had a narrow escape from injury to his eyes Monday evening from a fire cracker going off in his face. His eyelashes were burned and the eyelid of one eye was slightly burned.

## Clothing Caught Fire.

James Mackie, a twelve year old boy of Summer street, had some matches in his pocket and he heedlessly thrust a lighted piece of punk into the same pocket. The matches flamed up and his clothing was soon ablaze. The boy managed to put out the fire, but he was burned so badly that Dr. Braley had to be called to attend him.

## Accidents in Montpelier.

Montpelier, July 5.—P. T. Rowell, a former porter at the Montpelier House, had his right hand badly burned by the

explosion of a cannon cracker yesterday and the seven years old daughter of E. J. Ennis was run over last evening by a team driven by Guy Scott. A bad gash was cut in the girl's cheek and one leg was severely bruised but her injuries will not be of a permanent character.

## Hand Burned by Firecrackers.

Middlebury, July 5.—Frank Winnan, a member of the firm of Winnan Bros., had a cannon fire cracker explode in his right hand which burned it so he was obliged to be taken to the office of Dr. Martin to have the wound dressed. It will be several weeks before he will be able to use the hand.

## IN JAIL AFTER STRUGGLE.

Dr. A. H. Lewis Walked Into House  
and Refused to Budge.

Dr. A. H. Lewis is in jail again. The police station got a call this forenoon from S. D. Sibley's house on Berlin street, and Chief Brown responded. He found that the doctor had comfortably settled himself in a bedroom of the Sibley house and refused to vacate. He walked in this forenoon. Mrs. Sibley ordered him out, but he wouldn't go. She got two men to order him out, and he wouldn't go. Chief Brown found him sitting in a chair and apparently as unwilling as ever to get out. He refused to leave quietly, and so the chief used force. For a time there was a lively scrapping at the Sibley house. Chief Brown landed on his feet at the bottom of the staircase, and Dr. Lewis landed on a convenient part of his anatomy, none the worse for the encounter. An electric car was used as a patrol wagon, and after another struggle Dr. Lewis was landed in jail, to await trial on the charge of intoxication. He expressed a fear that he might have a recurrence of the really serious trouble with his head, which he experienced at the Montpelier jail, and the officer will keep a lookout for him so long as he is in his charge.

## NEW COMPANY IN CHARGE.

Barre Granite and Quarry Company  
Purchases Canton Quarry.

The deed for the transfer of the Canton quarry to the Barre Granite and Quarry company has been turned over. The new company included 125 stockholders, some in Barre, Burlington and other places. The deed says that the transfer was for \$40,000. The property includes 32 acres of quarry land, being part of the Hamilton Webster estate. There are four quarries on the land, three of which are subject to leases. There are also ten cottages. Fred E. Britten of Boston is president and general manager, and W. A. Thurston of Boston vice-president and treasurer. Frank A. Cragg of Barre is the local manager and will have office in the Granite block. M. E. Conklin will continue as superintendent of the quarry. The new company does not intend to do cutting business, but will devote its time to the quarry and the production of rough stock.

## FUNERAL YESTERDAY.

Mrs. Orissa Trow Camp's Remains Placed  
in Elmwood.

The funeral of Mrs. Orissa Trow Camp was held yesterday afternoon at 1:30 o'clock from the home of her son, H. O. Camp, of Highland avenue. The Rev. F. A. Poole officiated. There was a large attendance of relatives and friends, and there were many beautiful floral offerings. The pall bearers were H. O. Camp, E. M. Lyon, C. S. Wallace, and S. H. Barnes. The interment was in Elmwood cemetery.

## WARREN GOODRICH.

Funeral Will Be Held Tomorrow After-  
noon.

Warren Goodrich died at his home on Hill street at 5 o'clock yesterday morning after a long illness with dropsy. He leaves a widow and one son, Joseph, who recently resigned from the fire department. The funeral will be held from the house at 1 o'clock tomorrow afternoon.

## HEARING POSTPONED.

Maggioli Held Until William Perkins  
Recovery Is Assured.

Erico Maggioli, charged with shooting Conductor William Perkins, was brought into city court Monday afternoon and his case was continued until next Tuesday to await the condition of Conductor Perkins. Maggioli is being kept in the Montpelier jail. Perkins is at the Emergency hospital and is doing nicely.

## MARSHFIELD AND CHELSEA.

Candidates from Two Towns Entered in  
Voting Contest.

Two candidates have already entered the Times Quaker Range subscription contest. One comes from Marshfield, and the friends sending votes say of her:

"Enclosed herewith are votes to be registered in the Quaker Range contest. In the recent fire, Mrs. Cora Preston was the loser of her entire house-keeping outfit. Every stove went down; so, at my suggestion, we ask you to enter her name in class No. 4. Am sure everyone this way will wish to help her. She is certainly worthy."

From Chelsea, the name of Mrs. Harvey Spear is entered. The standing:

Class 3.  
Mrs. Harvey Spear, Chelsea.....100

Class 4.  
Mrs. Cora Preston, Marshfield.....125

Particulars of the contest on page three.

CAN CITY  
RECOVERIn Case of Neglect of City  
Official?

## DR. LIGOURI PAID \$40

In Settlement of Accident on Cliff Street  
—Manufacturer Seeking Location  
—23 Births and 9 Deaths in  
Time.

The regular monthly meeting of the city council Monday evening was serene and unimportant, excepting for the noise made by the boys with cannon crackers under the council chamber windows.

Practically the only discussion over any matter was on a bill presented for \$40 damages to Dr. C. F. Ligouri. Dr. Ligouri drove into an unlighted ditch left by the water department on Cliff street, and damaged his team somewhat and suffered more or less personal injury. He has been paid \$40 in settlement of his claim for damages and C. V. Parin asks \$9.55 for damage to the team. The discussion arose over whether Water Superintendent Allen was responsible for the bill or whether the city would have to pay it. The bill was paid by Mr. Allen, but he asks the city to reimburse him. Referred to the city attorney for an opinion.

A large number of city warrants were read and ordered paid.

Thos. D. Little, manufacturer of factory supplies in Manchester, N. H., wanted to know what inducements the city can hold out to bring his business to Barre. He would expect moving expenses. The communication was referred to the Merchants' Association.

The report of Health Officer J. W. Jackson showed 32 births in June, 17 males and 15 females. There were 21 cases of contagious diseases of which 14 were measles and 7 scarlet fever. There were 9 deaths. The report was accepted. It was voted that Dr. V. C. Goodrich be made to comply with the requirements of the law in regard to making returns of births and deaths.

The report of Overseer of the Poor Shurtell showed \$641.39 paid out in June, of which amount \$136 was for bills due April 1st.

The water committee recommended that city water mains be extended on Berlin to John street and that a hydrant be placed at the corner. The report was accepted.

It was voted a warrant for \$300 be drawn in favor of the overseer of the poor to pay June bills.

A building permit was granted the Congregational church to make alterations and additions.

Building Inspector Martin Riley reported 25 building permits granted in June, of which 2 were for stone shed additions and 2 for new dwellings.

Mr. Riley reported two cases where builders had not complied with the city ordinances relating to plastering chimneys from the roof down. The Vermont statutes provide a fine of \$200 for violations of the building inspector and the building inspector was instructed to notify all builders to comply with the ordinances, and their failing to do so the city attorney be notified to prosecute.

John Gibb wanted to know if that part of Granite street from Garfield to Prospect street is a public street. It was stated by Alderman McKenzie that it was not an accepted street. The matter was referred to the street committee to investigate and report back.

Constantino Abiatti appeared before the board about the condition of the cellars in townments of his at North Barre which had been flooded by water from the broken sewer last spring. It was voted Mr. Kidder be paid \$6.50 for cleaning out his cellar.

It was voted that the 2 per cent derived from the Gas Company's franchise tax be added to the sinking fund and that a resolution be prepared and presented for adoption so disposing of the fund.

The council then went into executive session, after which it was voted to move the street and water department to stalls in the fire station as soon as they are ready for occupancy.

## NEW FIRM.

Smith & Cummings Succeed Meaker  
Bros. in Market Business.

W. D. Smith, for 14 years with Smith Bros. market, and Earl Cummings, clerk for several years in the same store, have purchased of Meaker Bros. their market in the Brown block on North Main street and took possession July 1st. The store is as well fitted up as any in Barre and the new firm proposes to run a strictly cash market and sell as close to cost prices as they can and get a living.

## TWO BANKS FAIL.

Illinois Institutions Are Closed Through  
Another Collapse.

Washington, July 5.—Two bank failures growing out of the collapse of the First National of Topeka, Kansas, were announced by the comptroller of the currency this morning. They are the Spring Valley National Bank of Illinois and the First National Bank of Tulsa, Ill.
